RACE TO FIGHT HUMAN TRAFFICKING

SLAVE2NOTHING.ORG

February, 2018

Greetings,

Thank you for your time! I would like to propose a partnership to help raise funding and awareness to fight human trafficking. This is an opportunity for you to gain sponsorship exposure simply for donating to charity.

My name is Tom Ohmit. I am a competitive and successful sim-racer and have spent the past year and more developing a unique promotion platform for my partners. I race on the same simulation service that many professional drivers and teams use for training, track time and testing – it is called iRacing. I race at a highly competitive level in the eSport; I have won league championships in 2016 and 2017. In 2018 I will be running each week, but the time and series will be changing.

Last year I raced with sponsorship support and greatly enjoyed working with partners. This year I've decided I would rather race for a worthy cause – still with partners – to join the fight against the physical, emotional and sexual abuse endured by many taken into human trafficking.

This partnership consists of tax-deductible donations on your part throughout the year made directly to an organization I support, Slave2Nothing, in exchange for sponsorship exposure in multiple places. I encourage you to visit Slave2Nothing.org and see their passion and strategies for yourself as well.

The following page includes many promotional stats and more details about iRacing, my team and my 2018 plans, as well as a Partnership Agreement that goes over the details. I hope I have interested you in talking further and I invite you to contact me at your earliest convenience at (661) 431-3321 or partners@ohmitsimracing.com.

Sincerely,

Tom Ohmit

Partnership Agreement

February 8, 2018

The following agreement exists between Thomas Ohmit (here forth referred to as the 'Competitor') and _____ (here forth referred to as the 'Sponsor') and references Slave2Nothing (here forth referred to as the 'Charity') relating to eSport racing competition on the iRacing.com simulation service. This agreement uses the trademarks iRacing.com and Nascar as a reference to competition location and class only and not as parties of the agreement. Likewise, Slave2Nothing is not party to nor has any obligations based on the agreement. Thomas Ohmit has no affiliation with Slave2Nothing. The nature of this agreement is to raise donations and awareness for the Charity to fight human trafficking in exchange for the Competitor providing advertising exposure for the Sponsor.

The effective date of this agreement begins _____ and ends November 19, 2018.

This agreement pertains specifically to the Competitor's participation in any Class A Nascar Cup car series/leagues on the iRacing.com service and does not apply to participation in other classes or simulation services. The Competitor agrees to provide the following exposure for the sponsor:

1. Sponsor's logo to be placed on the Competitor's website (OhmitSimRacing.com) in the "Business Partners" section.
2. Sponsor's logo to be placed on the lower graphics bar of the Competitor's live stream during online broadcasts. At least one race will be streamed online per race week.
3. Sponsor's logo to be placed on the Competitors virtual car paint scheme either on the sides or top of the car at an available location.

In exchange for the advertising exposure, the Sponsor agrees to contribute donations to the Charity in the following amounts based on race results (circle one):

| | | | | |
|----------|------------|-----------|----------|------------------------------------|
| A | Win: \$15 | | B | |
| | Pole: \$10 | OR | | One-Time Donation of \$500 or more |
| | Top 5: \$5 | | | |

Option A Donations shall be made on a monthly basis. The Competitor will send the Sponsor a summary at the end of each month detailing race results. **Option B** Donation will be made within 1 week of the agreement effective start date. The Sponsor shall make donations to the Charity directly using the Charity's website (Slave2Nothing.org) and no funds shall be transferred to the Competitor. The Sponsor shall send the Competitor the donation receipt from the Charity as evidence of donation.

The Competitor is not obligated to run a specific race, series, schedule or number of races. The more races run, the more potential to raise donations and awareness. The Competitor agrees that a \$50 per month limit may be placed on Option A donations; Sponsor may choose to donate more at their own discretion.

Should the Sponsor not make the agreed donations, this agreement shall be broken and Competitor released from obligation to display Sponsor logos. Under no circumstance can this agreement be used to suggest any financial transaction or liability, past, present or future, between the Competitor and the Sponsor.

Thank you for participating as a partner in the race to fight human trafficking.
